

GeneticAlgorithm::select  
Parent

```
graph LR; A[GeneticAlgorithm::selectParent] --> B[printArray]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The first box on the left is light gray with a black border and contains the text 'GeneticAlgorithm::select' on the top line and 'Parent' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'printArray'.
